

PREPARING STUDENTS  
**FOR LIFE**

The Cincinnati Public Schools Student Dining Service program will provide an opportunity for families to drive thru or walk up and pick up meals for the children in their family between the ages of 1 and 18 at a number of school sites. Per USDA regulations, children must be present in order for meals to be provided. Meal distribution sites will be set up outside in the parking lot or bus lane at each school. If driving, please stay in your car and meals will be passed through to the driver based on the number of children in the car.

Meals will be served March 17th – April 3rd on Mondays, Wednesdays, and Fridays each week with an additional serving day of Tuesday, March 17th. All meals will be served between 11 am and 1 pm. On Mondays and Wednesdays, children will receive TWO breakfast meals and TWO lunch meals. On Fridays and Tuesday, March 17th, children will receive ONE breakfast meal and ONE lunch meal. All meals will exceed USDA nutritional requirements.

This program will be solely for the pick-up of meals, and meals will not be consumed on site. We encourage families to continue to be proactive in reducing the risk of COVID-19 by not congregating at the school site once meals have been distributed, continue to wash your hands often, sneeze or cough into a tissue, and stay home if you are sick.

We are grateful for our community partners who wish to provide additional resources for our students and their families. If your group or organization would like to co-locate at a school-based meal distribution site to offer supplementary food, toiletries, cleaning supplies or other sundries to our families, please contact CPS Student Dining Services, 513-363-0800, for more information.
